

READY, SET, CONNECT!

FREE developmental screenings are available for children from birth to age five in Champaign County. These screenings provide valuable information on how your child is developing in areas such as communication, social skills, motor skills, and more. Please contact us if you are interested in scheduling a developmental screening for your child.

If you have a child up to age 3:

Reach out to Heather Johnson, Child Development Specialist at DSC, to schedule your screening.

217-356-9176

hjohnson@dsc-illinois.org

If you have a child aged 3 to 5:

Contact the location closest to you to schedule your screening.
